Mr. A. David Lester
Executive Director
Council of Energy Resource Tribes
1580 Logan Street
Suite 400
Denver, Colorado 80203

Dear Mr. Lester:

The Pueblo of Laguna is requesting the Council of Energy Resource Tribes to conduct a study at the Jackpile Mine involving the following tasks:

1. Analysis of the depth of contaminated soils.
2. Review of the protore drill logs from previous work.
3. Drill along stream channels in order to define the depth of contamination along stream channels.

The findings of this study will provide the Pueblo with information (Volumes) needed by the Pueblo in its preparation to comment on the DEIS.

Should you have any inquiries, please contact my office.

Sincerely,

PUEBLO OF LAGUNA
